

TIPTON BOG WALK & BONFIRE MUSIC BY 'MIXED UP STRINGS'

WHERE: Janice Tipton's house
168 W. Caston Rd., New Franklin, OH 44319
(Portage Lakes area)

WHAT TO BRING:

Bog clothes – something you could care less about keeping, old tennis shoes, long pants and also something to change into
Bring a covered dish to share. I will furnish:
Snake on a stick
Snapping turtle tongue
Duckweed toss with sphagnum moss salad
Frog legs

After our hike through Lash's bog, I was encouraged by all of you to do a study of my bog. I am psyched! Fritz, you are the botanizer in charge of this, OK? If you would please contact Sandy and Marv as well as any other botanizers from your club. I'd love to have a good mix of hikers and botanizers or anyone else who cares to step out of their comfort zone!

Looking forward to ANOTHER great time together.

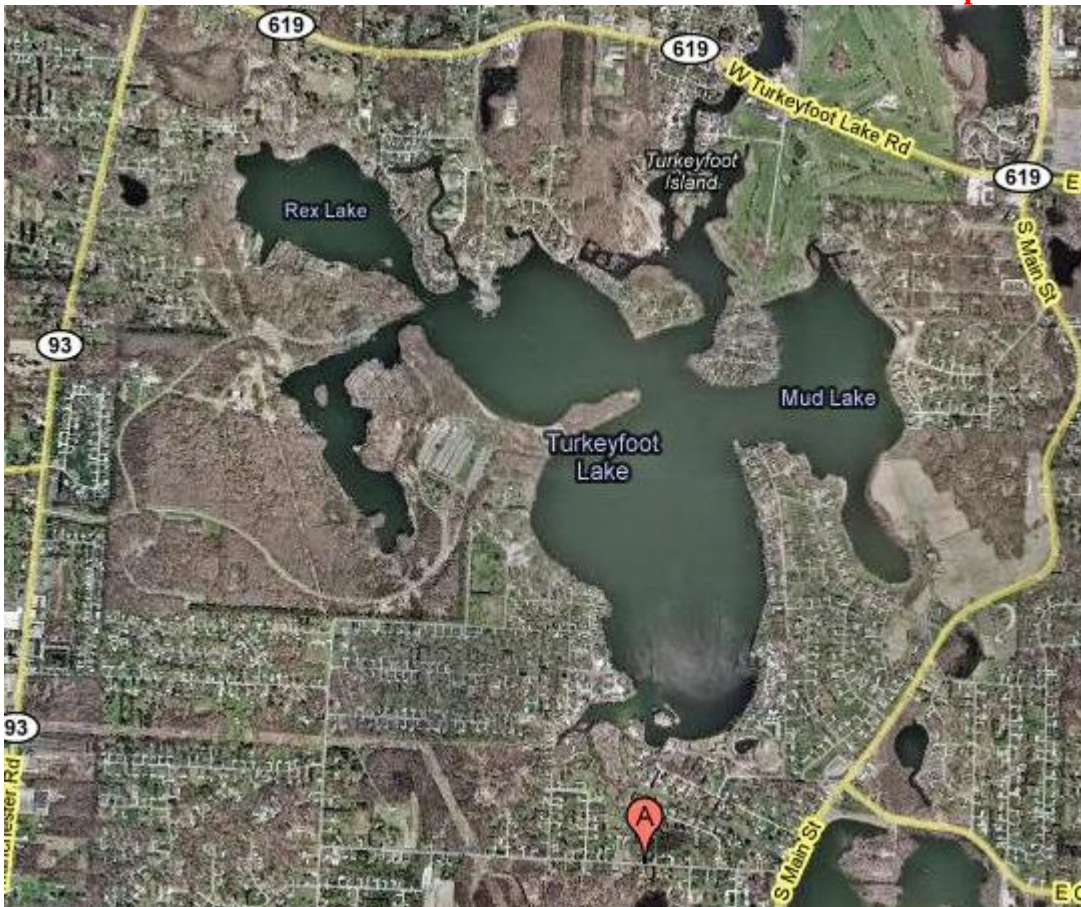

Janice
